### **Suo Motu Petition No. 02/2004**

Chhattisgarh State Electricity Board, Raipur -

Respondent

### **ORDER** **(Passed on 15.02.2005)**

On behalf of the respondent S/Shri Manoj Dey, Secretary, Shri V.K. Jain, Chief Engineer (Commercial), and S.N. Chouhan, S.E. O/o C.E. (Commercial) are present.

Shri Dey, Secretary, CSEB files a reply. In his reply he has submitted that on the last date of hearing a mention was made about the execution of more PPAs which according him "appears to have gone unnoticed." The Commission does not recall any such mention by Shri Chouhan, S.E. It is also not clear as to why the execution of only 3 PPAs was brought to the notice of the Commission and why is the list of 12 agreements could not be produced earlier. No explanation has been furnished regarding this.

However, it has been confirmed by the CSEB that a total of 12 PPAs in respect of non-conventional energy sources have been entered into by the Board after the formation of the Commission. Mr. Chouhan has also tendered apology for the misunderstanding.

This matter is treated as closed.
