## Petition No. 04/2008(M)

**M/s. Monnet Ispat and Energy Ltd.** .... **Petitioner**

**V/s.**

**Chhattisgarh State Electricity Board** ..... **Respondent**

### **ORDER (Dated 07.03.2008)**

Shri V.K. Munshi, Advocate and Shri Mohit Dewan, Advocate alongwith Shri P.Das, GM (F&A) for the petitioner.

2. Heard them on the point of admission of the case for hearing. The petition is filed for both review of the tariff order for the year 2007-08, passed on 22.10.2007 and/or clarification of this tariff order. The review petition is clearly time-barred and hence not tenable. The learned Counsel for the petitioner does not press the review petition. So far as clarification is concerned, there is hardly any need for the same. The order of this Commission, passed on 20.4.2007, in petition No. 2/2007(M), in the context of which clarification is being sought precedes the tariff order. In fact, we had taken cognizance of the fact that clear demarcation of start-up power connection from connection to industry has to be made in the tariff order and that this should be addressed by the Commission in the next tariff order. The matter has accordingly been addressed in the tariff order which succeeds the order in the petitioner's case. Therefore, the tariff order will now be applicable to the petitioner also and not the order dated 20.4.2007 aforementioned. The case is, therefore, disposed off accordingly and be filed.

3. We, however, observe that the tariff order in respect of start-up tariff with the present stipulations would have the effect of denying start-up power facility to number of captive generating plants in the State co-located with their industry. Although no other captive plant has approached us on this issue, we may take it up in suo motu review and rectify this position so that no captive power plant is denied start-up tariff."
