Suo Motu Petition No.08/2008(M)

**Chhattisgarh State Electricity Board**

-

**Respondent**

### Copy of order dated 10.07.08

Shri Arun Bhatnagar, SE present for respondent CSEB. He submits an application on affidavit that the order of the Commission shall be implemented and payment as per the order shall be made to the biomass-based electricity generators hereafter on their bills after obtaining an undertaking that the payment shall be subject to final order of the Appellate Tribunal for Electricity on the appeal which has been filed by the Board.

2. The application, however, says that the issue of payment of arrears will be considered by the Board in due course. This is unacceptable as it does not amount to compliance of the orders of the Commission. However, in view of the submissions that the arrears amounts to more than Rs. 30 crores the Board is granted one month's time to pay up all the arrears. With these orders this case is closed. The office shall monitor payments by CSEB to the suppliers.

3. The Chhattisgarh Biomass Energy Developers Association on the basis of whose representation this suo motu proceedings were initiated may be informed.
