**Petition No. 19/2008(M)**

**M/s. Jayaswal Neco Industries Ltd.**

-

**Petitioner**

**V/s.**

**Chhattisgarh State Electricity Board**

-

**Respondent**

### **ORDER**

**(Passed on 05.11.2008)**

Shri S.N. Bhattacharya, Vice President and Shri S.P. Naik, Sr. G.M. (Electricity) are presented for the petitioner. Shri Harsh Gautam, Executive Engineer represent for the respondent C.S.E.B.

2. The case was fixed today for admission. The petitioner submitted copies of a letter of MNES and Bureau of Energy Efficiency's report on co-generation. These papers are taken on record.

3. Heard the parties on the point of admission of the case. The petition seeks to declare power plants associated with sponge iron plants as co-generation plants and seeks mainly two kinds of dispensation. The first relates to the tariff. It deals with issues which should appropriately be raised at the time of determination of ARR and Tariff for the CSEB. The other relief claimed is already under consideration in Suo Motu petitions i.e. Petition No. 14 & 15 of 2008.

4. Thus, there is no issue on which the petition may be admitted. The petitioner also does not press for its admission. The petition is accordingly dismissed at admission stage only.
