Chhattisgarh State Electricity Board.....Respondent

Copy of Order Sheet dated 22.04.2006

Shri S.P.Naik, General Manager, Jaiswals Neco for the petitioner. Heard him on the issue of admission.

2. This is not a petition for review of the order of the Commission passed on 6.2.2006 in petition No.29 of 2005 in the matter of power purchase and related dispensation in respect of captive generating plant. The petitioner seeks certain special dispensation for his power plant which is apparently based on co-generation. It also raises certain tariff issues which do not relate to the order dated 6.2.2006. There is no ground for admission of this review petition. The review petition is rejected.

The case be filed after Communication of order.
